

Autodesk, Revit and Inventor

Follow this guide from the start to create an UCN Autodesk student account. If you already have a UCN Autodesk account you can jump to the [Revit](#) or [Inventor](#) installation guide.

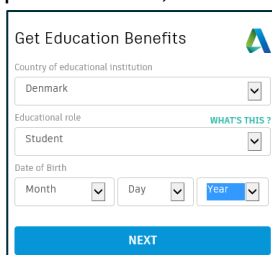

1. Go to <https://www.autodesk.com/education/free-software/featured> and choose one of the programs that you need.

2. Click on "CREAT ACCOUNT"

3. Type in the information needed, make sure you choose "Denmark" and "Student" as seen in the picture below, and click "Next"

Student

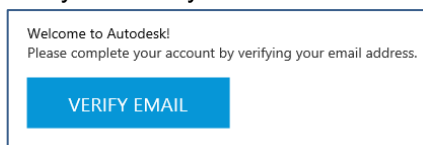

Date of Birth
Month Day Year

4. Type in your name, UCN e-mail, a password of your choosing, and check the “I Agree” box, then click “Create Account”.

5. Autodesk sends a verification email to your UCN Email

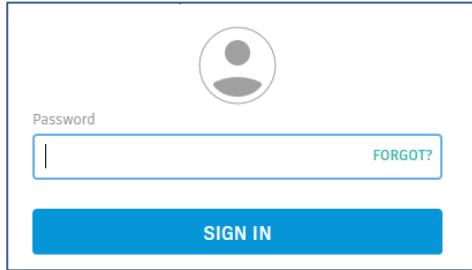

6. Open your UCN e-mail at <http://webmail.ucn.dk/> - find and open the mail from Autodesk and click “Verify Email” If you can’t find the mail then it might be located in your spam folder.

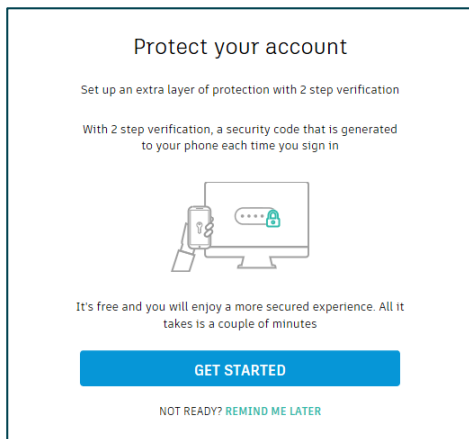

7. Type in your UCN e-mail and click "Next"

8. Type in your password and click “Sign In”

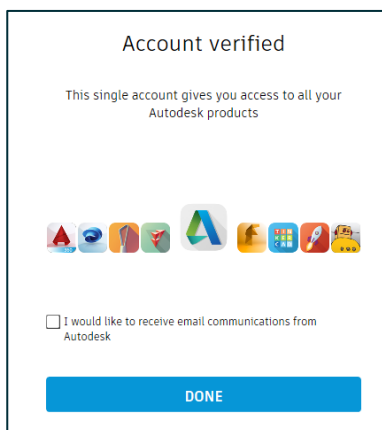

A screenshot of a sign-in form. At the top center is a circular profile icon placeholder. Below it is a text input field labeled "Password" with a "FORGOT?" link to its right. At the bottom is a blue button labeled "SIGN IN".

9. Click on “REMIND ME LATER”. You can also get 2 step verification by clicking on “GET STARTED”

A screenshot of a "Protect your account" screen. The title is "Protect your account". Below it is the text "Set up an extra layer of protection with 2 step verification". Further down, it says "With 2 step verification, a security code that is generated to your phone each time you sign in". There is an illustration of a smartphone and a computer monitor. Below the illustration, it says "It's free and you will enjoy a more secured experience. All it takes is a couple of minutes". At the bottom, there is a blue button labeled "GET STARTED" and a link labeled "NOT READY? REMIND ME LATER".

10. Click “Done”

A screenshot of an "Account verified" screen. The title is "Account verified". Below it is the text "This single account gives you access to all your Autodesk products". There is a row of icons representing various Autodesk products. Below the icons, there is a checkbox with the text "I would like to receive email communications from Autodesk". At the bottom, there is a blue button labeled "DONE".

11. Type “University College Nordjylland” in the “Name of educational institution” field, check the box of your “Area of study”, fill out the information about your enrollment/graduation, then click “Next”.

Just one more step 

Tell us about your educational institution and how you plan to use your free software.
